

## Tennessee Valley Kennel Club February 18, 2014

At 7:30 DruAnn Nutzell presented information learned during the recent AKC's Legislative Liaison Conference in Raleigh NC. She was provided a binder notebook full of information essential to kennel clubs & members to help them "educate" the man in the street about purebred dog's hobby breeders. There was so much information she will be presenting more details as the program preceding the April meeting. She has already filed a written report with President Wally Sommerfelt.

In the absence of the president Vice President Barbara Price called the meeting to order at 8:00 PM. The attendance list is with the recording secretary. There were 6 members and 4 guests - Pat and Ray Ryea and T J & Barbara Whitworth (and interpreter).

Amanda Adami and James Noblett – UT College of Veterinary Medicine spoke to us about the Vet School's upcoming *DOG SHOW*. It will be Sunday March 30 at UT's Brehm Arena from 1 to 6 PM. They would like TVKC to join them for the event. Their web site is (<http://weyantellie.wix.com/barkinthebrehm>) James invited us to have a booth. It was suggested that some of the members would be willing to bring dogs (along with documentation of up to date medical care) for meet the breeds as well as to participate in agility or even rally or obedience. Their contact information was obtained so that we can have more details as they work them out.

There was no formal meeting held due to lack of a quorum.
