AKC Delegate Judy Hart updated members on the status of the AKC Reunite Emergency Response trailer. The DART Team in Wilson County TN (near Murfreesboro) has been approved by AKC for a trailer. She is still waiting to hear back from Nashville KC after their August meeting as to how much money they will be putting towards the project. Any further needed funds will be furnished by the Pembroke Welsh Corgi Club of America. She will let us know when the dedication event will be held in Wilson County so TVKC members can attend.

Judy surveyed members at the meeting as to their opinions on who should be eligible to be an AKC delegate in the future. She did this to reflect TVKC's thinking in completing an on-line survey by the AKC Delegates committee.
