Greg Strong Handling Seminar & Workshop “Only 15 Points To Go”

January 8 & 9, 2011

Greg Strong is an active member in the AKC Registered Handler Program. He has been involved with breeding, raising and training show dogs all his life. He attends an average of 150 dog shows each year. He has been successful in exhibiting in all seven groups with many Best In Show winners from these groups. In addition to Professional Handling, Greg owns a boarding/grooming/training facility in Easton, MD.

This is an information packed seminar covering all aspects of showing a dog. This is a working seminar that includes lecture, discussion and time on the floor to apply what you are learning during the weekend with individual attention and instruction.

The seminar will cover the following topics:

- Defining the term “Handling”
- Starting your first Show Dog
- The makings of a great show dog
- Techniques for competing with the professionals
- Building confidence for you and your dog
- Psychology and philosophy in training your dog
- Building a winning partnership with your dog
- Overall presentation of a show dog

Two levels of participation are available: Working Participant with a dog or Auditor without a dog. Working participants should bring a well socialized dog to the seminar. The seminar is meant to help improve handling skills and dogs should have enough ring experience that participants may focus on learning themselves and not struggle with a puppy.
