The **Tennessee Valley Kennel Club** provides purebred dogs and their owners with engaging, lasting, and fun activities. The TVKC was founded in 1934 to promote all breeds of purebred dogs by conducting competitive shows, events and public education under the rules of the American Kennel Club. We encourage good sportsmanship at every event and are advocates for canine health, canine good citizenship, responsible dog ownership, and ethical breeding practices. The club meets at 7 pm each third Tuesday at the University of Tennessee School of Veterinary Medicine. Visitors are always welcome!
